Al Bedoo Temple

SHRINER'S OATH OF ALLEGIANCE

"I pledge allegiance to my flag and the country for which it stands; one nation under God, indivisible, with liberty and justice for all."

SALUTE

The Military Salute is used when reciting the Pledge of Allegiance and during the playing and singing of the National Anthem.

SALUTE TO THE FLAG

A Noble who is wearing his Fez will execute a right-hand salute when the Colors are within six paces of him; he will not remove his Fez. After the Colors have passed he should drop his right hand. In case the same Colors pass the same point again, as frequently happens in a Ceremonial Procession or in display drills, the Colors need not be saluted a second time. The same rule applies to street parades.

PRAYER

During the offering of prayer, the Fez should be removed and held in the right hand over the heart.

HEAR YE!

HEAR YE!

NOBLES ALL!

The Call has been heard and heeded and the Decree has gone forth from the mouth of the Illustrious Potentate that ALL THE FAITHFUL shall Assemble on . . .

Saturday, May 14, 1955

Novices are needed for the entertainment of the Elect as well as for filling the Coffers of the Exchequer. Therefore, Nobles, you are urged to hie over the hidden highways and comb the dunes of the desert for the unredeemed that they may join our Caravan and be as servants unto us, and when we shall have reached the Sacred City, those who have proved themselves worthy, shall be welcomed as brothers in the Order of the Mystic Shrine.

Don your Fez and Shriner's Smile, turn from the cares and vexations of the daily struggles of life, and meet your fellow Nobles and help spread the Sunshine of the Shrine within the Portals of our Temple.

A Message from

Herbert F. 

Potentate

Nobles of Al Bedoo:

Please accept my most sincere thanks in this, my first official message. In elevating me to the office of Potentate you have not only given me the highest honor that can be bestowed, but you have honored the City of Livingston, as well.

Being mindful of the duties and responsibilities of this office I again pledge myself to carry out these duties and responsibilities to the very best of my ability.

I know we have a very great year ahead of us and realize it more than ever after visiting with several of our Shrine clubs throughout eastern Montana. Their enthusiasm is wonderful and all have a program of extra activities which will add to their and our growth. They are doing splendid work; not only in bringing in Novices but for their support of our Ladder of Smiles. So great is the need of more revenue for our seventeen Shrine Hospitals, with their operating costs continually on the increase, that we must find new sources. I am confident that we will find new ways and sources of revenue to meet this, our great challenge. Fundamentally, I believe these wonderful hospitals to be the most motivating power in our tremendous growth.

Our Spring Ceremonial will be in Billings this year on May 14th, and it promises to be one of the finest. With the cooperation of our Uniformed Units, Committees, Shrine Clubs and each individual Noble we just can't miss.

The growth of our Uniformed Bodies has been outstanding. This is one day it is our privilege to watch their work. It is their planning and labor that assures the success of the Ceremonial.

Let us remember that in numbers there is strength—that we must go along together, building today a greater Shrine for tomorrow—so that there may be a day when every of prayerful child, who needs our help so desperately, shall not wait inight hand

Sincerely yours, in

hine of the Shrine.

HERBERT F. LEES

Here's the low-down on your

High-Up

The new Potentate for 1955 is none other than Herbert F. Lees, from Livingston, and Livingston and Park County are justly proud. He was born in Sterling, Kansas, on July 8, 1907, and when three months old moved to Colorado, thus making him a true Son of the West.

Fate decreed that Herb should always be a Westerner and assured this by moving him and his folks to Roundup, Montana, in 1912, where he received his grade and high school education, graduating from high school in 1925.

He next decided it was time to enter business, so in 1929 he chose the tire and oil business. He married a local girl, Florence Drummond, in 1932. Wanting to enter into larger fields, he sold out in 1933 and moved to Livingston, Montana, and carried on in the oil business both wholesale and retail associated with his brother, Jim.

Herb answered the call of his country in 1942, when he entered as a Sea-Bee and served three years in all. Twenty-seven months of active service in the South Pacific, engaged in heavy construction work. He was honorably discharged on October 25, 1945.

Herb was made a Mason in Roundup in 1931; Scottish Rite in Livingston in 1937 and became a Shriner in 1940 and was appointed on the Divan of Al Bedoo in 1942 by Potentate Oliver Koppe. Other fraternal activities started when he joined the Elks Lodge in 1934. The Livingston Chamber of Commerce also acquired his untiring support in 1934, where he has served as president, director, chairman of the Finance Committee and at present is chairman of the Highway Committee.

After the war Herb and his brother, Jim, entered the automobile sales and service business. Brother Jim was also a member of Al Bedoo Temple. Jim passed away in 1947. Herb sold this business in 1953 and at present operates as a distributor of Socony-Vacuum petroleum products in Park County.

Herb has been active in many other civic enterprises in Livingston and has always come up with that smiling "Yes" when called upon.

Herb, our new Potentate, will see that Al Bedoo continues to forge ahead and under his guidance will rate as tops in this Northwest Land of Shriners. Allah be praised!

Recorder North has this to say

Our next big event is our 56th Ceremonial.

Now what we need is a large class of candidates, so it's up to you in '55 to beat the bushes and get that hesitant Knight Templar or 32° Scottish Rite Mason and get his name on the dotted line. All you have to do is to tell him how much you enjoy the Shrine.

You all can do a selling job, for you are selling him enjoyment and association with the greatest bunch of fellows in the world.

Do your best. Each Bring One. Don't forget to give to and help the Crippled Children's Hospitals.

Admission To Temple: Article XXXII, Section 28: A Noble shall not be admitted to his own or any other Temple of the Order, unless he exhibits to the Temple to which he desires admittance a Shrine card for the current year, printed and issued as provided.

Change of Address: Again sincere thanks to the Nobility for keeping us promptly advised of changes of address. Just a card when you move will be appreciated.

Novices: Must report at Shrine Auditorium, 1125 Broadwater Ave., Billings, Saturday, May 14, at 7:30 a. m. Nobles securing a Novice will see that he reports at said time and place.

Petitions: Must be in the hands of the Recorder not later than 8:00 a. m., May 14.

Fees are as follows: Initiation, \$75.00; dues, balance 1955, \$5.00; fez, \$5.00; Hospital for Crippled Children assessment, \$5.00 — total, \$90.00.

Meetings of Al Bedoo Temple are held regularly on the third Thursday of each month, except June, July and August.

Affiliations: No charge of any kind is made for Nobles affiliating with Al Bedoo from other Temples. All sojourning Nobles in our midst are cordially invited to unite with Al Bedoo.

Important: Suspension in your Commandery or Consistory automatically suspends you in the Shrine, though you may have a current card. By all means, keep in good standing in the Mother Blue Lodge and prerequisite bodies.

Dues: Again please be reminded of our full cooperation in sustaining your membership. We desire to help in every way possible. Please call on us.

Once again, my sincere gratitude and may every Noble again visit the Oasis of Billings on May 14 and enjoy the splendid program arranged for the Ceremonial.

Sincerely yours in the Faith,

STEWART NORTH, Recorder

*That land must, indeed, be wondrous fair,
Since our brothers choose to linger there
While we pitch our tents in the desert here;
But we do not sorrow, we do not fear.
Yet a little while and our race is run,
And we'll steal away with the setting sun
To the land where the crystal waters flow,
Where the beautiful Palms of Allah grow.*
